### Background

Council is required to carry out a compliance audit for the period 1 January to 31 December 2015, against requirements set out in the 2015 Compliance Audit Return (CAR).

Amendments to Regulation 14 of the *Local Government (Audit) Regulations 1996* require that the local government's Audit Committee reviews the CAR and reports the results of that review to Council prior to adoption by Council.

### Comment

The CAR is one of the tools that allow Council to monitor how the organisation is functioning. The return places emphasis on the need to bring to Council's attention cases of non-compliance or cases where full compliance was not achieved. In addition to explaining or qualifying cases of non-compliance, the return requires Council to endorse any remedial action taken or proposed to be taken in regard to instances of non-compliance. This is intended to assist local government to enhance or develop their internal control processes to ensure they include the statutory requirements of the legislation.

Council has met all areas of compliance in the 2015 CAR.

Once the CAR has been presented to Council a certified copy, along with an extract of the minutes of the meeting at which the CAR was adopted by Council and any additional information explaining or qualifying the compliance audit, is to be submitted in hard copy format to the Director General, Department of Local Government and Communities by 31 March 2015. ## Background

At the previous Audit Committee meeting held on 25 November 2015 Council endorsed the Shire's Organisational Risk Management Action Plan for the period July 2015 to 2016. This plan addresses in a systematic way the recommendations of a comprehensive assessment of the Shire's system by AMD Chartered Accountants in November 2014.

The Plan outlines the following information:

- Recommendations from the November 2014 review categorised into three different focus areas; risk management, internal controls and legislative compliance.
- The task required to address each recommendation from the report.
- A proposed timeline.

One of the recommendations was to include a standing agenda item to the Audit Committee for risk reports to be tabled.
