WRINGE, Leanne

My husband, Chris, and I have lived on the family farm since 2000. We have 3 children aged between 17 and 23. Previously, I worked as an accountant in a private accounting firm.

Although I wear many hats in the community, my greatest fulfilment has been representing you and your family as a Councillor over the last four years.

I approach my role on Council in a participatory and professional manner, always mindful of leaving a legacy of honesty and integrity. My recent completion of the Diploma of Local Government strengthens my commitment to you and our community.

I will continue to represent the interests of the community and provide leadership for current and future generations. My focus will be on improving asset management for a more effective and sustainable future.
