It is pleasing to see that the Shire of Donnybrook Balingup was listed in the “Best practice top 20 entities” as listed on Page 22 of Attachment 9.1.2 (2). This is a testament to the dedicated Finance staff working for the Shire.

Excerpt Page 22 of the Attachment 9.1.2 (2):

### Best practice entities

This is the first year we have rated entities on their financial reporting and financial controls, though we have been reporting on this for the State sector for many years. The quality of financial reporting is measured against five criteria:

- timeliness of financial statements
- quality of financial statements and notes
- quality of working papers
- resolution of accounting issues
- availability of key staff.

Of the 148 entities, 85 were scored audit ready, representing 57% of all local government entities and signalling room for improvement.

Most noteworthy is the number of regional shires that have made the better practice list. We commend all those who have made this inaugural list and trust others will now be inspired to strive to compete for inclusion.
