

Asset Optimisation Project (AOP) – Community Survey Form

Shire of Donnybrook Balingup Submissions close at 4:00pm (AWST) on Friday 25 July 2025

About the Asset Optimisation Project (AOP)

The Shire is custodian of approximately \$335 million of community assets, including roads, bridges, footpaths, buildings, and parks, which are essential for delivering services to the community. The Asset Optimisation Project (AOP) is a strategic initiative to comprehensively review these assets and identify those that can be rationalised and optimised.

For further details about this project, refer to the AOP information page on the Shire website. It serves as a point of reference for the community and will be updated over time to list public consultations, Frequently Asked Questions (FAQs), and so on.

Scan this QR code to go there now – alternatively, you can find it under the Projects & Programs page of the Community section of the website menu.

Community Engagement

Community engagement is a vital part of the AOP because the assets under review support services and facilities used by everyone in the Shire. By listening to the community's views and priorities, Council can make better decisions about which assets to keep, improve, or rationalise. This ensures that any changes made reflect the needs of residents and protect important services, encourages shared ownership of the project outcomes, and supports informed decision-making that benefits the whole community now and into the future.

To make it easy for everyone to have their say, a submission form will be available both online via the AOP information page mentioned above and at the Shire Administration Office. Hand-written responses must be addressed to the Chief Executive Officer and returned to the Shire Administration Office (1 Bentley Street, Donnybrook) via one of the following:

- In person to the front counter during open hours (8:30am – 4:00pm, Monday – Friday)
- Placed in the drop-box at the front door outside of open hours
- Emailed to shire@donnybrook.wa.gov.au
- Posted to PO Box 94, Donnybrook, WA 6239

Have Your Say

At the Ordinary Council Meeting held in May 2025, Council requested staff to consult with the community about the possible sale or future use of the following properties that were identified for potential disposal. **Submissions close at 4:00pm (AWST) on Friday 25 July 2025.**

Please refer to the information on pages 2-4 when completing your responses on pages 6-10. A detailed report is also available in the minutes of the Ordinary Council Meeting (OCM) held in May 2025 on the Shire website.
