I live on the family farm in Thomson Brook where I joined my husband after working in Landcare, agriculture and forestry. Now I am a mother, wife and active community member committed to making a positive difference. I've served on the DDHS Board, local P&C, and as a Donnybrook Scout Leader for many years. I'm passionate about building a vibrant, inclusive community through clubs, programs and events that help everyone feel they belong. Honouring our heritage and the values that make our area special while embracing new ideas is vital. Beyond delivering core services well, I believe our Shire thrives when we support volunteers, invest in young people, support a diversity of active community groups, and foster arts and creativity to face future challenges. By nominating for council, I hope to work together with others to strengthen our Shire as a place where people want to live, belong, and raise their families.
