My decision to stand for council is driven by a strong personal connection to our community & a desire to see it thrive. My Wife Brooke (Welsh) was born & raised here, together we have chosen this shire to raise our children. We want them & every child to grow up in a safe, connected community with real opportunities. If elected, I will represent residents honestly, listen carefully, and ensure council decisions are transparent, responsible & focused on long term outcomes. I will advocate for investment in essential services and facilities - such as safe roads, parks, community spaces, sporting clubs & local programs - while ensuring ratepayers receive value for money through careful, sustainable budgeting. Supporting families & future generations is central to my vision. I will champion initiatives that support parents, engage young people and value older residents, while encouraging sustainable growth that enhances our lifestyle. Above all, my priority is to put our community first.
