

Off-lead Dog Exercise Areas in Donnybrook

#2 : RESERVE 34972, PRESTON RIVER (NORTH)

Landmarks: Opposite Donnybrook Amphitheatre and Apex Park, north side of the river, between the suspension bridge and Gabion Rock bridge

Route 1: Navigate to the north side of the Preston River via Bridge Street/Palmer Street

- From the South Western Highway, turn onto Bridge Street (next to Donnybrook IGA).
- Continue on this road, over the bridge, then turn onto Palmer Street.
- The exercise area is on this side of the Preston River.

Route 2: Cross from the south side of the Preston River on foot by using the suspension bridge (from Clifford Road)

- From the South Western Highway or from Bridge Street, turn onto Clifford Road.
- Navigate to the suspension bridge, located at the rear of the Repco Auto Parts store.
- The exercise area is on the opposite side of the Preston River – cross over the suspension bridge to reach the designated exercise area.

IMPORTANT: The suspension bridge and southern side of Preston River are **not** part of the exercise area, meaning dogs must be on-lead at all times in these locations.
